Recruitment work flow

Selection work flow

How KAIZEN works

KAIZEN maintains a wide database of Curriculum Vitae (CVs) mostly for professional candidates who have the competency and the expertise to meet specific job requirements of your organization, beside that we head hunt suitable professional candidates specifically within your industry. In addition, we source through our business network established across the industry.

Our deduced executives and support staff devote their time to undertake executive search assistance services for our clients. We have recently successfully completed numerous executive recruitment assignments, and are currently undertaking a variety of such assignments for wider range of positions in the healthcare industry.

KAIZENBAHRAIN

Our approach

Having the competency required for the position, we propose to use our network of business contacts throughout local market as well as other part of the region as appropriate to assist you with identifying possible suitable candidate (s). We will focus our efforts specifically in your industry. Once suitable candidate (s) has been identified, we will make initial contacts with the candidate (s) discreetly, and assess their level of interest. Based on this initial contact and the CV, we will screen the candidates' as per the job description provided by you. This work will be performed on a confidential basis. Following this stage, we will forward you the shortlisted candidate (s). The anticipated time frame for identifying a suitable candidate (s) is 15 working days from the time that KAIZEN receives your request to fill opening.
